## INTRODUCTION

In response to a resolution of the Joint Legislative Audit Committee and in compliance with federal Office of Revenue Sharing regulations, we have conducted a financial audit of the California Advisory Commission on Youth. This audit was conducted under the authority vested in the Auditor General by Section 10527 of the Government Code.

The California Advisory Commission on Youth was created by Executive Order D 1-77. This order, which was effective as of September 9, 1977, establishes the commission within the Office of the Lieutenant Governor. The Lieutenant Governor has responsibility for administering the activities of the commission.

The objectives of the commission are to coordinate information regarding youth activities in California; to foster greater involvement of youth in all areas of government; to encourage the formation of local youth commissions and councils; to assist existing youth commissions; to serve as the advisory group on youth affairs to the State Legislature and the executive branch of government; to conduct forums; and to study the problems, activities, and concerns of the youth of

the State of California. The California Advisory Commission on Youth is supported by appropriations from the State's General Fund.

AUDITOR'S OPINION

To the Joint Legislative Audit Committee of the California Legislature:

We have examined the balance sheet of the California Advisory Commission on Youth as of June 30, 1979 and the related statements of financing sources, expenditures, and changes in operating clearing for the year then ended. Our examination was made in accordance with generally accepted auditing standards and accordingly included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

In our opinion, the aforementioned financial statements present fairly the financial position of the California Advisory Commission on Youth at June 30, 1979 and the results of operations and changes in operating clearing for the year then ended, in conformity with generally accepted accounting principles applied on a basis consistent with that of the preceding year.

CALIFORNIA ADVISORY COMMISSION ON YOUTH  
NOTES TO THE FINANCIAL STATEMENTS  
JUNE 30, 1979

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The accompanying financial statements reflect the financial position and results of operations of the California Advisory Commission on Youth. The statements have been prepared in conformity with generally accepted accounting principles applicable to state and local governments as prescribed by the American Institute of Certified Public Accountants and by the National Council on Governmental Accounting.

The fund type for the California Advisory Commission on Youth is the General Fund. The California Advisory Commission on Youth accounts for only its portion of the General Fund. The State Controller maintains the central accounts for all state funds and annually publishes fund statements.

The General Fund is maintained on the modified accrual basis of accounting. These are some of its more significant elements:

Income

Throughout the fiscal year all income is accounted for on a cash basis. At June 30, the accounts are adjusted to accrue all earned but uncollected income.

Expenditures

Expenditures are accounted for at the time claims for payment are filed with the State Controller. At June 30, all valid expenditure commitments are accrued as expenditures including encumbrances outstanding against budget appropriations for which no goods or services have been received.

Liabilities - Vacation and Sick Leave

Costs of vacation and sick leave are charged when these benefits are used rather than when they are earned.

2. BUDGETED FINANCING SOURCES AND EXPENDITURES

The amounts shown under "Budget as Adjusted" for financing sources and expenditures reflect the Governor's Budget after allowing for adjustments by the Budget Act, interim statutory changes affecting appropriations, and authorized executive budget revisions issued during the year.

3. OPERATING CLEARING

This account is the connecting link between the records of the various state agencies and the central fund accounts maintained by the State Controller for the General Fund and other funds not accounted for entirely by one agency. The balance at June 30 represents the net assets and liabilities for which the California Advisory Commission on Youth is accountable.

#### OTHER INFORMATION

As an integral part of our examination, we reviewed the accounting procedures and related system of internal accounting control at the commission, at the Lieutenant Governor's Office, and at the Department of General Services (which maintains the commission's accounting records) to the extent we considered necessary to properly form an opinion concerning the fairness with which the commission's financial statements present its financial position and results of operations in accordance with generally accepted accounting principles consistently applied.
